

# Meet Your Teacher Scavenger Hunt: Mrs. Twedt

You are about to begin a journey of learning and discovering into the world of 4<sup>th</sup> grade. Hold on tight, as we are about to set sail!

Below are some activities to become acquainted with Mrs. Twedt and your new classroom. Have fun on your adventure!

## **PARENTS:**

1. Please complete the following forms:
  - Student information form
  - Volunteer sheet
  - Picture release form
2. Take Meet Your Teacher packet
3. If you can:
  - Please donate to our class ☺: Homeroom donation (help me make science as hands-on as I can!), *Time Magazine* (to support Social Studies), and our Class T-Shirt (field day, field trips, spirit days). THANK YOU!
  - Take a pink post-it from my wish list

## **STUDENTS:**

1. **Pick** card from the bowl.
2. **Find** the table sign hanging from the ceiling that matches your card.
3. **Choose** a seat at that table and set your card down on the table at that seat. (That will be your desk☺)
4. **Take** the dry erase marker at the table and write your name on the small dry erase board.
5. **Find** the birthday chart.
6. **Take** the blue vis-à-vis marker and write your name neatly on the correct month of your birthday. Then, after your name, write the number of your birthday. For example, I would find May, write Mrs. Twedt-1 on the line because my birthday is May 1.
7. **Head** towards the "How we go home" poster board and place your name under the area of how you go home. \*Also using a blue vis-à-vis marker.
8. **Visit** the computer and explore your teacher's website @ [www.mrs-twedt.com](http://www.mrs-twedt.com). Find something interesting about your teacher.
9. **Have** a picture taken with Albert Einstein and go visit Mrs. Heistand's class room.☺

Congratulations! You have completed the scavenger hunt.

**HOMEWORK:** By next Friday, bring a bag with 3 items that are important and meaningful to you. Be ready to share with class so we can get to know all about you!

***Something to think about:*** I wonder why Mrs. Twedt typed the first word of each step in a **bold** font? I also wonder what all of those bold words have in common?
